- iii. a reference to **writing** or **written** includes faxes and emails.

### 11. Basis of contract

- a. These Conditions apply to the Contract to the exclusion of any other terms that the Supplier seeks to impose or incorporate, or which are implied by trade, custom, practice or course of dealing.
- b. The Order constitutes an offer by the Customer to purchase the Goods in accordance with these Conditions.
- c. The Order shall be deemed to be accepted on the earlier of:
  - i. the Supplier issuing a written acceptance of the Order; and
  - ii. the Supplier doing any act consistent with fulfilling the Order,
 at which point the Contract shall come into existence.

- a. The Supplier waives any right it might otherwise have to rely on any term endorsed upon, delivered with or contained in any documents of the Supplier that is inconsistent with these Conditions.

### 13. The goods

- a. The Supplier shall ensure that the Goods shall:
  - i. correspond with the applicable Specification;
  - ii. be of satisfactory quality (within the meaning of the Sale of Goods Act 1979, as amended) and fit for any purpose held out by the Supplier or made known to the Supplier by the Customer expressly or by implication, and in this respect the Customer relies on the Supplier's skill and judgement;

  - i. the Goods are properly packed and secured in such manner as to enable them to reach their destination in good condition;
  - ii. each delivery of the Goods is accompanied by a delivery note which shows the date of the Order, the Order number (if any), the type and quantity of the Goods (including the code number of the Goods, where applicable), special storage instructions (if any) and, if the Goods are being delivered by instalments, the outstanding balance of Goods remaining to be delivered; and

- e. The Supplier shall not deliver the Goods in instalments without the Customer's prior written consent. Where it is agreed that the Goods are to be delivered by instalments, they may be invoiced and paid for separately.
